

FY 2019-20 Budget Amendment Form

Budget Amendment Description

Creation of one FTE that can periodically calibrate the City's density bonus programs.

Strategic Outcome Alignment (Which of the 6 Strategic Outcomes does this support?)

Economic Opportunity and Affordability

Lead Sponsor

Adler

Cosponsors (optional)

Amount and Source of Funding

Ongoing	One-Time	FTEs	Source of Funds
\$150,000		1.00	DSD enterprise fund

Additional Information

The city has a variety of density bonus programs which should be recalibrated on a regular basis. In the past, the City has relied on consultants to do this work and perhaps done it less frequently than is optimal.
